

**John A. Stefano, M.D.**

**Named to LASERVISION® Top 100 Surgeons for 2004**

John A. Stefano, M.D. of Shenandoah LASIK & Cataract Center in Winchester, VA was named to the Top 100 Surgeons for 2004 by LaserVision Centers, Inc. of St. Louis, MO. Dr. Stefano has performed over 4,500 LASIK procedures since 1997.

Dr. Stefano has been practicing in this area for over 20 years. "I want to especially thank my knowledgeable staff who combined to help make me one of the top 100 LaserVision-affiliated surgeons in the entire nation, and of course I want to thank the patients who trusted me with their vision in 2004! I look forward to helping many people throughout 2005," said Dr. Stefano.

LASIK (laser assisted in-situ keratomileusis) is the most-technologically advanced surgical correction for nearsightedness, farsightedness, and astigmatism. As a refractive surgery specialist, Dr. Stefano performs LASIK in his Winchester office and provides free LASIK screenings to determine if patients are candidates for LASIK.
